3. .... 20
4. .... European countries
5. .... next year

**Points ...../5,00**

### **PART III – READING**

**Read the stories and decide if the statements are true /T/ or false /F/. /Prečítajte si príbehy a rozhodnite, či dané tvrdenia sú pravdivé /T/ alebo nepravdivé /F/.**

**A:** The police have arrested eight protesters during an anti- globalisation march in Princes Street in the centre of Edinburgh. At first the event was peaceful, but the atmosphere deteriorated later in the day. Police made the arrests when a small group of demonstrators broke away from the main demonstration.

**B:** The World Wildlife Fund has said that sea water is not the solution to the world’s water problems. Countries like Australia and Spain are turning salty sea water into fresh water for farming and drinking. But the environmental organisation says in a new report that desalination plants are expensive and are environmentally unfriendly.

**C:** Farmers in the south of France are worried about global warming. The changing climate could halt their traditional way of life. According to a new study, it will be very difficult to grow the right grapes for the famous wines if temperatures continue to rise.

**D:** The demand for responsible tourism is growing, according to British travel agents. A new survey shows that more than 50% of British holidaymakers say that they would like to know more about the environmental policies of their travel companies. Many tourists also want to measure their carbon footprint, but only a very small number are ready to spend more money on travel.

1. The demonstration in Edinburgh began peacefully.
2. People drink salty water in Australia.
3. Hotter weather is not good for some grapes.
4. British tourists have become more interested in the environment.
5. Many British holidaymakers are happy to have more expensive holidays.

**Points ...../5,00**
